Central Coast Summer Orienteering Series 2018/19

Enjoy some of our Central Coast scenery in this Sunday morning series of park and street orienteering. All are 45 minute score events - visit as many controls as you choose in any order. Starts are from 9 to 11 am. All events will suit beginners, and experienced orienteers will be on hand to show you the ropes and get you started in the right direction; so "come and try it" - if it's your first event, it's free. Walk, jog or run, individually or in a small group if you prefer. No special equipment required.
